

## CALL FOR POSTERS

### IBA 2018 International Battery Association 2018 March 11 - 16, 2018, Lotte Hotel Jeju, Korea

The International Battery Association 2018 will be held from March 11 to 16, 2018 in Jeju, Republic of Korea. The series of IBA Meetings has a great tradition and unique style of blending fundamental research with practical applications in the field of advanced battery materials and systems. Leading scientists and researchers come from around the world to share their recent progress and stimulate discussions on interdisciplinary battery research and development.

#### Abstract Submission

All prospective authors are invited to submit abstracts for poster presentations **by Nov. 15, 2017**. All abstracts should be submitted directly via online submission system.

(<http://www.geni-pco.com/iba2018/default.php>)

#### Conference Topics

- (1) New Concepts, Materials and Systems
- (2) Characterization, Testing, Data Analysis, Protocols and Procedures
- (3) Modeling and Simulation of Energy Storage Materials, Electrodes, Cells, and Battery Systems
- (4) Energy Storage System Integrations and Issues
- (5) Battery Manufacturing and Issues
- (6) Market Prospects and Penetration

#### Important Dates

Deadline for abstracts	<del>Oct. 31, 2017</del> Nov. 15, 2017
Notification of abstract acceptance	Nov. 30, 2017
Deadline for IBA Awards nominations	Dec. 08, 2017
End of early registration and Final program	Jan. 31, 2018
Deadline for registration and accommodation	Feb. 20, 2018

**We look forward to meeting you in Jeju, Korea !**

#### IBA 2018 is organized by

- The Korean Electrochemical Society

**IBA 2018 Conference Chairman: Prof. Won-Sub Yoon (Sungkyunkwan Univ., Korea)**
